

Return and Refund Policy

We want you to love your Lakeshore Eyecare Center eyewear. If you are not entirely satisfied with your purchase, we are here to help.

Returns You may return eyewear within 60 days of the original purchase order date. To be eligible for a return, glasses must be in the same condition that you received them. Contact lenses must be in unopened, non-marked boxes. A return fee of \$100 for glasses and sunglasses will be assessed. The contact lens return fee is \$25.

Refunds If your return is approved, we will initiate a refund through Yeo&Yeo Billing and Accounting. Refund checks are processed and mailed on a monthly basis. Your refund check will be less the return processing fee. Refunds cannot be credited to a credit card.
